Due to current demand and availability, Rain Bird IC model sprinklers are not part of the spring offer this year unfortunately.

- Sprinklers will be supplied with the standard nozzle as stated, unless specified otherwise with the order.
- Falcons are supplied without a nozzle fitted, so please choose from sizes 4/6/8/10/12/14/16 or 18
- 8005's are supplied with a fitted #18 nozzle. Additional nozzle as per Falcon above plus sizes 20/22/24 or 26
